Student/Trainee Status Verification Form for ITAA Student Members

The ITAA offers student member status to part-time or full-time students on TA-based programs. This special voting membership offers digital access to the full *TAJ* back catalog only, **without** a paper copy sent via post.

To request this special membership rate, please complete this verification form, which requires the endorsement and signature of a Provisional Teaching and Supervising Transactional Analyst (PTSTA), a Teaching and Supervising Transactional Analyst (TSTA), or an authorized university representative.

This form must be submitted annually in conjunction with a completed offline ITAA membership form, that latter of which can be downloaded at www.itaaworld.org/offline-ita-membership-forms.

You may send your completed verification form either (a) by mail to the address below or (b) by scanned attachment sent to the ITAA office at info@itaaworld.org. *If you send your verification form separately from your membership form and dues payment, please alert the ITAA office via email.*
