## Student/Trainee Status Verification Form for ITAA Student Members

The ITAA offers student member status to pre-Certified Transactional Analyst training and to full-time university students. This special voting membership offers digital access to the full TAJ back catalog only, without a paper copy sent via post.

To request this special membership rate, please complete this verification form, which requires the endorsement and signature of a Provisional Teaching and Supervising Transactional Analyst (PTSTA), a Teaching and Supervising Transactional Analyst (TSTA), or an authorized university representative.

**This form must be submitted annually in conjunction with a completed offline ITAA membership form,** that latter of which can be downloaded at <https://www.itaaworld.org/offline-itaaworld-membership-forms>.

You may send your completed verification form either (a) by mail to the above address, (b) by fax to the above fax number, or (c) by scanned attachment sent to the above e-mail address. *If you send your verification form separately from your membership form and dues payment, please alert the ITAA office by mail, fax, or e-mail.*

I, \_\_\_\_\_, am currently:  
[print/type name of student]

A pre-Certified Transactional Analyst trainee

under contract with \_\_\_\_\_  
[print/type name of PTSTA or TSTA]

or

A full-time student enrolled at \_\_\_\_\_
